

The Village at River's Edge

A luxurious and carefully designed collection of magnificent townhomes built with meticulous craftsmanship. The Village at River's Edge offers incomparable styled homes nothing short of amazing – featuring nine foot ceilings, granite countertops, ceramic tile floors, private rear decks, and so much more.

River's Edge amenities abound inside and out with exterior gathering and play areas, giving residents the opportunity to meet neighbors and build friendships.

Tennis courts, a putting green, walking trail, and a gazebo island are all part of this master planned community, each surrounded by lush green space and mature shade trees. Close to every convenience, yet secluded enough to feel far away from it all, its country atmosphere and modern styling form a perfect union for magnificent living.

Design your own interior with many amenities and upgrades available to suit the most discriminating buyer.

MAINTENANCE-FREE LIVING

Additional features include first floor master bedroom suites, elevator option, state-of-the-art kitchens with luxurious amenities, and walking trail to the popular athletic club just on the other side of the woods.

Homes range from 2,600 to 4,200 sq. ft. and are located in Bucks County, offering award-winning schools, various shopping opportunities, fine restaurants, and quick access to Muddy Creek Township and major roadways.
